# High Impact Learning in just 2 hours

**up to 35  
participants**

Are your people too busy to spend a whole day on training or are reluctant to attending training courses, but you need to keep them up to date, have their skills refreshed or to have new ideas?

Then our 2 hour high impact specials could be the answer.

Fast paced, fun and factual. After participating in one of these sessions, learning can be put to practical use immediately.

You pick the topic, provide a suitable room, provide a light lunch/ breakfast and we will do the rest.
